

# TOP GUN WEEKEND

**December 9-10, 2011**  
**Friday, 7pm - Saturday, 12pm**

**Ages 8 - 13**  
**Cost: \$55**

Looking for a quick weekend adventure? Whether you're an avid aviation enthusiast, or you've just started to explore the exciting world of aviation, Top Gun Weekends are just the adventure for you! Participants in Top Gun receive an awesome camp experience in one short weekend. You will explore a variety of aviation topics such as the history of flight, modern machines, piloting, forces of flight, and more!

You'll also get the opportunity to enter our T-29 to use our computer flight simulators. Practice your piloting skills and then put your newfound skills and moves to the test on our 360-degree full-motion flight simulators. You'll have the ride of your life! Contact us now before the spaces fill up. We limit enrollment numbers to provide the optimal learning experience and a low instructor-to-camper ratio. Top Gun Weekends make excellent holiday gifts!

*\*Evening Snack and Breakfast are provided.*
